

## CNC Turner/Miller

Erodex are seeking a CNC Turner/Miller to be based at our state-of-the-art machining facility in Darlaston.

Erodex is a family run organisation with a strong presence and good reputation within the UK Aerospace industry. Investment in its people is a key policy of Erodex culture to ensure that we continue to meet the high standards expected by our customers.

### **Duties will include:**

- Working with Hurco and Mazak CNC machines
- Supporting and maintaining CNC machines
- General production engineering responsibilities

### **Experience required:**

- Working on CNC lathes and live tooling
- Mazak and Hurco machinery experience essential
- Minimum of 7 years machining experience
- Conversant with CNC machining for aerospace
- Experience working with graphite preferable

You will be working within a high-pressure machining environment, meeting deadlines and using your initiative to overcome problems and resolve production issues.

Applicants must be able to work on own initiative, and as part of a team.

This is a permanent, 40-hour full-time position, working Monday to Thursday 6am – 4.30pm.

Competitive rate of pay, dependant on experience.

If you feel that you have the qualities and skills to succeed in this role then please apply today.

Strictly no agencies or telephone calls.
