

# Surface/Form Grinder

for CARBON BRUSH MANUFACTURE

This is a great opportunity for an enthusiastic and experienced Surface/Form Grinder to work within our state-of-the-art machining facility based at Darlaston, West Midlands.

ECP have been manufacturing high quality carbon brushes for many industries for over 50 years at our manufacturing facilities in Darlaston and Croydon.

## **The successful candidate will:**

- Be a skilled grinder, preferably with experience on Jones & Shipman 540 1400 540X & 1400X series surface grinders
- Be able to meet tight deadlines and work in a high-pressure machining environment
- Have the ability to use their initiative to overcome problems and resolve production issues
- Be an exceptional team player and good communicator
- Have excellent standards and good attention to detail
- Be prepared to get their hands dirty
- Be willing to work overtime and extra hours as required to complete the task at hand and keep production flowing

## **Duties will include:**

- Working with Jones & Shipman 540 1400 540X & 1400X series surface grinders
- Using specialist carbon brush making machinery (full training will be given for these machines)
- Reading engineering drawings
- Measurement and inspection
- Maintaining a clean, safe and organised working environment

This is a permanent, full-time position, Monday to Friday day shift, 40 hours

Competitive rate of pay

Company sick pay scheme
